Add the files with the ending **.vsynpreset** to the **User Preset Folder** of the Vienna Synchron Player. You can find it here:

Windows:
C:\Users\Your_Username\Documents\VSL\Vienna Synchron Player\Presets

macOS:
HD/Your_Username/Documents/VSL/Vienna Synchron Player/Presets

If you have already saved user presets, you can also access the folder with a right mouse click directly in the Synchron Player.
